## Workspaces

## Switch to workspace

Super+1 workspace number 1  
Super+2 workspace number 2  
Super+3 workspace number 3  
Super+4 workspace number 4  
Super+5 workspace number 5  
Super+6 workspace number 6  
Super+7 workspace number 7  
Super+8 workspace number 8  
Super+9 workspace number 9  
Super+0 workspace number 10

## Move focused container to workspace:

Super+Shift+1 move container to workspace number 1  
Super+Shift+2 move container to workspace number 2  
Super+Shift+3 move container to workspace number 3  
Super+Shift+4 move container to workspace number 4  
Super+Shift+5 move container to workspace number 5  
Super+Shift+6 move container to workspace number 6  
Super+Shift+7 move container to workspace number 7  
Super+Shift+8 move container to workspace number 8  
Super+Shift+9 move container to workspace number 9  
Super+Shift+0 move container to workspace number 10

## Multimedia Keys (be aware that these may not work for every keyboard):

They are enabled - you may need to hold down the function key while doing so.
